ELCC1999 Observation in Early Childhood Education and Development

COURSE DESCRIPTION

This practicum provides learners with further opportunity to apply play-based skills and knowledge under the supervision of the college practicum supervisor and a designated mentor. Observation and documentation as well as appropriate practice with children across curricular areas are included through practice and seminar. This practicum is a combination of practical experience in a community work site and integrated seminars in class. Learners work 14-16 hours each week for 15 weeks for their practicum hours and attend the 3 hour integration seminar each week.

REQUISITES	Complete the following courses: • ELCC1998 - Introduction to Emerging Practices in Early Childhood Education and Development (6)
EQUIVALENTS	None
CREDITS	7
HOURS	245
ELIGIBLE FOR PLAR	No

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence

10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Use a variety of interpersonal skills to establish stakeholder relationships as part of an interprofessional team.	1, 4,6,9
2	Reflect upon a personal vision for quality ELCC documentation.	1, 2
3	Incorporate ethical standards, confidentiality, regulatory compliance, health, safety and nutrition in daily practice.	1, 4, 8, 9
4	Incorporate observation, documentation, and reflection to inform and modify curriculum experiences.	1, 2, 5
5	Use a selection of curriculum approaches such as: emergent curriculum, developmental level, inquiry, play based learning, invitations and provocations, and creative, project-based work to engage children.	1, 2, 5
6	Reflect upon positive, respectful relationships with children and their families through the celebrating and respecting of family and cultural diversity.	1, 4, 6, 9
7	Articulate theories of child development into practice which include play based learning, and social-emotional environments that support brain development.	1, 2, 4, 6
8	Develop a professional philosophy of practice.	1, 2, 6, 8

PERFORMANCE STANDARDS

A grade of P is required to pass this course. Learners may be required to pass this course in order to progress in the program or to meet specific program completion requirements.

This practicum course is pass or fail based on the final practicum evaluation. You will not receive a letter or percentage grade for this course on your transcript. A pass requires a 75% for this practicum course. To pass, a student needs to demonstrate the competencies required above satisfactory/acceptable grade level to pass this practicum. A pass must be achieved in each assessment in order to receive a pass in the course.

Please consult with the program area or the Bow Valley College website for further details.

GRADING SCHEME

Symbol	Description	Value in GPA
P	Pass	N/A
F	Fail	N/A

REQUIRED LEARNING RESOURCES

Curtis, D., & Carter, M. (2000). The art of awareness: How observation can transform your teaching (2nd ed.). Redleaf Press.

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Honesty (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.
