NURS9517 Registered Nursing Roles: Clinician & Scholar

COURSE DESCRIPTION

As clinicians, registered nurses navigate complex patient care scenarios by utilizing evidence-based practices to inform their decisions across various healthcare settings, from hospitals to community clinics. Embracing a collaborative approach, they work closely with interdisciplinary teams to ensure comprehensive and patient-centered care. Simultaneously, as scholars, Alberta's registered nurses engage in continuous learning and professional development, staying abreast of the latest advancements in healthcare research and technology. They critically evaluate evidence, contribute to knowledge dissemination, and uphold standards of ethical conduct in their practice, reflecting a commitment to excellence in both clinical care and scholarly inquiry within healthcare. Taken together, this Micro-Credentials serves to illuminate the crucial roles of clinician and scholar that the registered nurse performs.

COURSE COMPETENCY

COMPETENCY TITLE

Registered Nursing Roles: Clinician & Scholar

COMPETENCY STATEMENT

Nurses will demonstrate the ability to apply evidence-based practices in patient care while engaging in continuous learning and scholarly inquiry to ensure high standards of clinical care and professional development.

COMPETENCY DESCRIPTION

As clinicians, nurses navigate complex patient care scenarios by using evidence-based practices, ensuring informed decision-making across various healthcare settings, from hospitals to community clinics. They collaborate with interdisciplinary teams to deliver comprehensive, patient-centered care that meets individual needs. In their role as scholars, nurses are committed to continuous learning and professional development, staying current with advancements in healthcare research and technology. They critically evaluate evidence, contribute to the dissemination of knowledge, and uphold ethical standards in their practice. This competency prepares nurses to excel in both clinical care and scholarly inquiry, fostering

excellence in patient care and the ongoing advancement of healthcare knowledge.

COURSE LEARNING OUTCOMES

ASSESSMENT

This course follows an assessment-first approach, in which learners will be assessed, and receive structured feedback, and a personalized learning plan. Learners will also receive differentiated support from an instructor based on their individual needs.

Learners will have a variety of ways to demonstrate they have met the required competency through the demonstration of learning outcomes and criteria as laid out in the rubric. Learners will have multiple (but not unlimited) attempts to prove competency. It is suggested that learners plan out their assessment attempts within their course.

Learners will have flexibility in how they satisfy course learning outcomes while still adhering to the criteria found in the rubric and the Course Offering information. Please refer to the Course Offering Information and the rubric in Brightspace for additional information.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student’s use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing

academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students taking the course section. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements.

You may use the recordings only for educational purposes and you must not copy, share, or use the recordings for any other purpose without the instructor's express permission.

Your personal information is collected in accordance with section 33(c) of the Freedom of Information and Protection of Privacy Act (Alberta) to deliver academic programming, support learner flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes. If you have any questions about the collection, disclosure, use, or protection of this information, please contact the College's Access and Privacy Officer at foip@bowvalleycollege.ca.
