MMPR9101 An Integrated Strategy for Maintenance Management

COURSE DESCRIPTION

Module 1 introduces you to an integrated and holistic approach to maintenance and asset management. It provides a perspective and structure to apply to an organization to see how the organization performance can be improved through areas of maintenance and asset management. It will introduce: the Maintenance Excellence Pyramid, how the parts of the Maintenance Excellent Pyramid are linked and a simple tool and more detailed one to evaluate and better understand an organizational position relative to the areas of the Maintenance Excellence Pyramid.

REQUISITES	None
EQUIVALENTS	None
CREDITS	0
HOURS	15
ELIGIBLE FOR PLAR	No

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence
10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	State the mission of PEMAC and describe the path to MMP certification.	1, 2, 4, 6
2	Describe the history and development of maintenance management strategies and how programs such as planned maintenance, predictive maintenance and Reliability Centered Maintenance evolved.	1, 2, 4, 6, 7
3	Describe the relationship between maintenance and asset management.	1, 2, 4, 5, 10
4	Describe the role and typical goals of the maintenance manager in an organization.	1, 2, 4, 6, 7, 8, 9
5	Discuss the importance of strategy and people to the maintenance leader. (“Leadership" of the Maintenance Pyramid.)	1, 2, 4, 6, 7, 9

6	List and describe the essential tools for executing a maintenance strategy: Work Management, Management and Support Systems, Basic Care, Materials Management and Performance Management. ("Essential Tools" section of the Maintenance Pyramid.)	1, 2, 4, 6
7	Briefly describe common methodologies that are used to achieve excellence in maintenance management and categorize them according to whether they are EBAM, continuous improvement, or RCM. (“Choosing Excellence" of the Maintenance Pyramid.)	1, 2, 3, 4, 5
8	Assess a given maintenance situation or problem and identify a potential strategy for improvement. (Apply the "Maintenance Maturity Grid" at a superficial level - more depth in subsequent modules.)	1, 2, 3, 4, 6, 8
9	Draw the Uptime "Pyramid of Excellence" and explain why an integrated, strategic approach to maintenance and asset management is important to industry.	1, 2, 3, 4, 5, 10

COURSE MODULES AND SCHEDULE

**Course schedule subject to change, depending on delivery mode and term of study. For exact dates, please consult the Course Offering Information in Brightspace.*

WEEK/HOURS	MODULES
Session 1	Module 1 – Introduction to an Integrated Maintenance Approach, Module 2 – Leadership, Module 3 - Essentials
Session 2	Module 4 – Choosing Excellence, Module 5 – Review, Final Exam

ASSESSMENT

COURSE LEARNING OUTCOME(S)	ASSESSMENT	WEIGHT
1-9	Assignment 1 – Maintenance and Asset Management Alignment with Organizations	40%
1-9	Final Exam	60%

Important: For details on each assignment and exam, please see the Course Offering Information.

PERFORMANCE STANDARDS

A minimum grade of D is required to pass this course. However, a program may require a higher grade in this course to progress in the program or to meet specific program completion requirements.

Please consult with the program area or contact the program chair for further details. A minimum Grade Point Average of 2.0 is required for graduation.

GRADING SCHEME

Grade	Percentage	Grade Point	Description
A+	95-100	4.0	Exceptional: superior knowledge of subject matter
A	90-94	4.0	Excellent: outstanding knowledge of subject matter
A-	85-89	3.67	
B+	80-84	3.33	
B	75-79	3.0	Very Good: knowledge of subject matter generally mastered
B-	70-74	2.67	
C+	67-69	2.33	
C	64-66	2.0	Satisfactory/Acceptable: knowledge of subject matter adequately mastered
C-	60-63	1.67	
D+	57-59	1.33	
D	50-56	1.0	Minimal Pass
F	Less than 50	0.0	Fail: an unsatisfactory performance

REQUIRED LEARNING RESOURCES

Campbell, J. D., & Reyes-Picknell, J. V. (2015). Uptime: Strategies for Excellence in

Maintenance Management (3rd Edition ed.). New York, NY: Productivity Press.

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

All examiniations will have a specified time limit and are to be written on the scheduled date.

There are no extensions or rewrites. Exceptions may be considered with proper documentation.

To protect the integrity of our exams, viewing of the exams after completion will not be permitted. Your instructor will advise you regarding the feedback method for exams.

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Honesty (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.
