HCAD1406 Meeting Complex Care Needs

COURSE DESCRIPTION

This course builds on the foundational skills and concepts introduced in previous courses and also introduces new skills such as medication assistance. Learners will have the opportunity to acquire the knowledge to learn advanced skills such as active and passive range-of-motion exercises, ostomy care, respiratory care, catheter care, and tube feeds. In addition, accurate measurement of vital signs is demonstrated, practiced, and assessed.

REQUISITES	Earn a minimum grade of B- in each of the following courses: • HCAD1401 - Health Care Aide Role & Responsibility (3) • HCAD1402 - The Human Body, Health & Chronic Illness (3) • HCAD1403 - Communication & Documentation in the Health Care Environment (4) • HCAD1404 - Providing Person-Centred Care & Comfort (5)
EQUIVALENTS	None
CREDITS	5
HOURS	75
ELIGIBLE FOR PLAR	Yes

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence

10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Describe knowledge of assisting with complex skills (ROM, wound care, nasogastric/gastrostomy tube feeds, urinary catheters/drainage, measuring vital signs, pain, height/weight, specimen collection, ostomies, respiratory care, oral suctioning, and medication assistance) using basic knowledge of the body systems.	1,2,7,8
2	Identify the limitations of the HCA role and responsibilities when assisting with complex skills as outlined by government legislation and employer policies and procedures.	1,2,9
3	Define evidence-informed practice and guidelines for each complex skill.	2,7,8
4	Demonstrate ethical person-centred care related to assisting with each complex skill and following the client care plan in the acute and continuing care settings (home care, long-term care, and supportive living).	4,6,7
5	Identify knowledge of the collaborative team's roles and responsibilities within each complex skill.	1,4,6,8
6	Describe key elements of the palliative care approach that can be applied to the planning, implementation, and delivery of complex skills.	1,2,7,8
7	Demonstrate competence (knowledge, skills, behaviours, and attitudes) by applying evidence-informed practice and guidelines when assisting with complex skills.	1,4,6,8
8	Apply the principles of professional and accurate communication through instruction, delivery, reporting, and documentation of complex skills.	3,4,5,8
9	Apply communication techniques and strategies that support diverse clients displaying responsive behaviours when assisting with the delivery of complex skills.	1,2,3,5
10	Demonstrate client and personal safety by recognizing and responding to safety hazards, near misses, reporting abuse, following infection prevention and control principles, client handling, and operating health equipment safely.	1,2,4,6,8,9

COURSE MODULES AND SCHEDULE

**Course schedule subject to change, depending on delivery mode and term of study. For exact dates, please consult the Course Offering Information in Brightspace.*

WEEK/HOURS	MODULES
Week 1	Module 1: Range of Motion/ Module 2: Assisting with Wound Care
Week 2	Module 3: Assisting with Nasogastric and Gastrostomy Care and Tube Feeds/ Module 4: Assisting with Urinary Catheter and Drainage Systems/ Module 5: Assisting with Ostomy Care
Week 3	Module 6: Measuring Vital Signs, Pain, Height, and Weight
Week 4	Module 9: Medication Assistance
Week 5	Module 7: Assisting with Specimen Collection/ Module 8: Assisting with Respiratory Care and Oral Suctioning
Week 6	Consolidation Lab
Week 7	Lab Skills Checklist
Week 8	Lab Skills Evaluation
Week 9	Final Exam

ASSESSMENT

COURSE LEARNING OUTCOME(S)	ASSESSMENT	WEIGHT
1, 2, 3, 4	Assignment	20%
1-8	Lab Skills Evaluation	30%
1,7,8,9	Lab Skills Checklist	10%
1-10	Final Exam	40%

Important: For details on each assignment and exam, please see the Course Offering Information.

PERFORMANCE STANDARDS

A minimum grade of D is required to pass this course. However, a program may require a higher grade in this course to progress in the program or to meet specific program completion requirements.

The Health Care Aide Program requires a minimum grade of B- to pass all theory courses, including this course.

Please consult with the program area or contact the program chair for further details. A minimum Grade Point Average of 2.0 is required for graduation.

GRADING SCHEME

Grade	Percentage	Grade Point	Description
A+	95-100	4.0	Exceptional: superior knowledge of subject matter
A	90-94	4.0	Excellent: outstanding knowledge of subject matter
A-	85-89	3.67	
B+	80-84	3.33	
B	75-79	3.0	Very Good: knowledge of subject matter generally mastered
B-	70-74	2.67	
C+	67-69	2.33	
C	64-66	2.0	Satisfactory/Acceptable: knowledge of subject matter adequately mastered
C-	60-63	1.67	
D+	57-59	1.33	
D	50-56	1.0	Minimal Pass
F	Less than 50	0.0	Fail: an unsatisfactory performance

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an

appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Honesty (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College

website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.
