HMSV9503 Understanding and Applying the DSM-5-TR in Healthcare Practice

COURSE DESCRIPTION

The Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, Text Revision (DSM-5-TR) serves as a classification system for mental disorders employed by mental health professionals in North America and several other nations. This course's primary objective is to enhance the learner's capacity to access and utilize the information contained in this manual within their healthcare professional career. Following an examination of the history of the DSM-5-TR, this course assists learners in recognizing the factors and criteria essential for diagnosing and treating mental illnesses, as well as gaining familiarity with certain assessment screening tools.

REQUISITES	None
EQUIVALENTS	None
CREDITS	0
HOURS	45
ELIGIBLE FOR PLAR	No

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence
10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Explain how the history of the DSM-5 contributes to the field of mental health practice	1, 2, 6, 7, 8
2	Discuss how the structure of the DSM-5 is used in diagnosing and treating mental illnesses	1, 2, 4, 6, 7, 8
3	Identify characteristics of the major diagnostic categories	1, 2, 6, 7, 8
4	Apply screening tools to differentiate between different diagnoses	1, 2, 4, 6, 7, 8
5	Develop a treatment plan plan considering diagnoses, causality, and environment	1, 2, 4, 6, 7, 8

COURSE MODULES AND SCHEDULE

**Course schedule subject to change, depending on delivery mode and term of study. For exact dates, please consult the Course Offering Information in Brightspace.*

WEEK/HOURS	MODULES
Week 1	Module 1: History and Evolution of the DSM classification
Week 2	Module 1: History and Evolution of the DSM classification
Week 3	Module 2: Structure and Layout of the DSM-5-TR
Week 4	Module 2: Structure and Layout of the DSM-5-TR
Week 5	Module 3: Major diagnostic category: Neurodevelopmental disorders
Week 6	Major diagnostic categories: Schizophrenia Spectrum and other Psychotic Disorders
Week 7	Major diagnostic categories: Bipolar and related Disorders; Depressive Disorders
Week 8	Major diagnostic categories: Anxiety; Obsessive–Compulsive and Related Disorders
Week 9	Major diagnostic categories: Trauma- and Stress related Disorders; Dissociative Disorders
Week 10	Major diagnostic categories: Somatic Symptoms and Related Disorders
Week 11	Major diagnostic categories: Feeding and Eating Disorders, Sleep-Wake Disorders
Week 12	Major diagnostic categories: Sexual Dysfunction, Gender Dysphoria and Paraphilic Disorders
Week 13	Major diagnostic categories: Substance Related and Addictive Disorders
Week 14	Major diagnostic categories: Disruptive, Impulse control, and Conduct Disorders; Eliminating Disorders
Week 15	Major diagnostic categories: Personality Disorders
Week 16	Neurocognitive Disorders; Other Mental Disorders
Week 17	Module 4: Screening Tools and Treatment Plans Final Assessment - Case Study

ASSESSMENT

COURSE LEARNING OUTCOME(S)	ASSESSMENT	WEIGHT
1, 2	Assignments (minimum of 2)	P/F
3	Quizzes (minimum of 12)	P/F
4, 5	Case Study	P/F

Important: For details on each assignment and exam, please see the Course Offering Information.

PERFORMANCE STANDARDS

A grade of P is required to pass this course. Learners may be required to pass this course in order to progress in the program or to meet specific program completion requirements.

All assignments must be submitted and each must receive a passing mark. There will be an opportunity for one additional attempt to retake quiz in a case of not passing it or in order to improve mark. The best result will be considerate toward the final grade for quizzes. The passing grade for each individual quiz is 60%. In order to receive "pass" grade for the whole section "12 Quizzes" the average 70% must be achieved.

Please consult with the program area or the Bow Valley College website for further details.

GRADING SCHEME

Symbol	**Description**	**Value in GPA**
P	Pass	N/A
F	Fail	N/A
BD	Basic/Developing (Foundational programming courses only)	N/A

REQUIRED LEARNING RESOURCES

American Psychiatric Association. (2022). Diagnostic and statistical manual of mental disorders (5th ed.). Arlington, VA: American Psychiatric Publishing

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

Grades: Grades will be placed on D2L through "My Grades". Grades will be posted within two week of the due date, unless otherwise stated by your instructor. Participation grades are in -class, date- and topic-specific, thus they can't be made up at an alternate time, regardless of the reason for class absence. A grade of D- (.67) is required to pass this course; however, an overall GPA of C (2.0) is required to earn a credential in this program. Please refer to Policy #500-1-5 Academic Continuance and Graduation Policy for more information

Learners may require Adobe Reader in order to view certain course content. Adobe Connect is already installed on most computers, but can also be downloaded and used for free if needed. Please ask the course instructor for more information. 13 Please ensure you are set up with D2L. All courses are managed through D2L. You will find updates, course and program information, grades, email, and other details about your course on D2L. If this is an on-line course your entire course will be managed through D2L. D2L → https://d2l.bowvalleycollege.ca/

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan.

Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students taking the course section. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements.

You may use the recordings only for educational purposes and you must not copy, share, or use the recordings for any other purpose without the instructor's express permission.

Your personal information is collected in accordance with section 33(c) of the Freedom of Information and Protection of Privacy Act (Alberta) to deliver academic programming, support learner flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes.

If you have any questions about the collection, disclosure, use, or protection of this information, please contact the College's Access and Privacy Officer at foip@bowvalleycollege.ca.
