COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong students. In addition to the discipline-specific skills that students acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours

7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence
10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Apply the knowledge of the roles and responsibilities of the HCA to assist in providing safe, compassionate, and competent person-centred care in the health-care setting.	2,6
2	Demonstrate professional and effective communication and conflict management skills when appropriate with the collaborative care team in the clinical setting	1,4
3	Apply the principles of documentation according to evidence-informed practices and employer policies and procedures using information technology (electronic records and charting) when applicable in the clinical setting	1,2,3,4
4	Develop helping relationships and maintain professional boundaries when providing person-centred care in the clinical setting.	1,4,6,8,9
5	Apply the principles of privacy and confidentiality and communication strategies specific to diverse clients of different cultural backgrounds and to clients displaying responsive behaviours.	1,4,6,8,9
6	Apply knowledge in growth and development, structure and function of the human body, and chronic illness when implementing the client's care plan.	2,8
7	Demonstrate skills required within the HCA role to assist the client with various health needs in their activities of daily living using evidence informed practices	1,4,6,8,9
8	Discuss time management strategies, organization of care, and situations for decision making and problem solving within the role of the HCA.	2,3,7
9	Identify and report safety hazards and use government legislation, employer policies and procedures, and evidence-informed practices to promote client, self, and environment safety.	1,2,3,8
10	Examine professional feedback and demonstrate self-reflection to identify areas of improvement within the HCA competency profile.	1,2,4,7

ADDITIONAL INFORMATION

Bow Valley College is licensed to deliver this course as part of the Government of Alberta Health Care Aide Provincial Curriculum 2019.

Work integrated learning provides learners with a comprehensive learning experience in an organizational setting. During work integrated learning experiences, learners are provided with the valuable opportunity to apply knowledge gained in the classroom and lab settings and build confidence in their health care aide practice.

Many practicum and clinical sites have multiple shifts. Learners can expect clinical shift times to vary; days, evenings, nights, and weekend shifts may be required. A variety of clinical locations are used, including rural settings. For instructor led clinicals, the department will place learners. No changes can be made. With respect to mentorship, the clinical placement team will meet with learners towards the end of the program to discuss options. Learners are responsible for providing their own transportation

to and from work integrated learning locations. While the department does its best to secure clinical and mentorship placements for all eligible learners, placements for each learner are not guaranteed and in rare instances, there may be a delay in program completion until a clinical placement can be arranged.

Documents required for Work Integrated Learning

- Police Information Check
- Imagine Health Immunization Form
- N95 Mask Fitting Certification
- Sunrise Clinical Modules (SCM) certificates of completion
- Network Access questionnaire

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Students with documented disabilities (e.g., mental health diagnosis, learning disability, physical disability, etc.) may qualify for classroom and/or exam accommodations. The College can also assist students who may be experiencing difficulties with learning but do not have a formal diagnosis. Students

who need academic and exam accommodations based on other protected grounds may also make those requests.
It is the student's responsibility to request academic accommodations. Students are encouraged to contact Accessibility Services as early as possible.

Contact: accessibility@bowvalleycollege.ca or 403-410-1440
BVC Central: Accessibility Services

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Students are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Student Code of Conduct (500-1-1), Student Appeals (500-1-12), Attendance (500-1- 10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13).
Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by students is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Academic Integrity:

At Bow Valley College, we value academic integrity. This means everyone at the college, including students, faculty, and staff, follow principles that foster ethical and truthful ways of being in their work and studies. The college is committed to integrity being infused in all aspects of work and studies. It is important to act with integrity in everything you do at the college. The values you practice at the college are the same values that will inform and guide your career. If someone breaks from the principles that are in agreement with academic integrity policy, the college is committed to carefully investigating and fairly handling any issues related to academic integrity and academic misconduct.

Academic misconduct is acting in such a way as to give yourself or others an unfair academic advantage or disadvantage. Examples of this can include:

- Plagiarism
- Cheating on tests or exams
- Tampering with or falsifying any grades or documents
- Sharing assignments or exam information with others
- Aiding others in dishonest acts
- Using artificial intelligence in graded work without the explicit consent of the instructor
- Recording anything in the classroom or other instructional area without permission

Breaking from the principles that guide academic integrity can lead to educative interventions and/or punitive measures. It is the student's responsibility to review the Academic Integrity Policy. Please review

the following resources:

- Academic Integrity Policy Summary
- Academic Integrity Policy
- Academic Integrity Procedure

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student work. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where either the course instructor, a representative of Bow Valley College, or a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, https://www.bowvalleycollege.ca/academic-calendar.
Students are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students taking the course. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements. You may use the recordings only for educational purposes. You must not copy, share, or use the recordings for any other purpose without the instructor's express permission. Your personal information is collected in accordance with section 4 (c) of

the Protection of Privacy Act, Alberta (POPA) to deliver academic programming, support student flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes. Bow Valley College uses automated systems to generate content and make decisions, recommendations and predictions, and your personal information may be included in these automated systems.

Your personal information will be used and disclosed in accordance with sections 12 and 13 of POPA and protected in accordance with section 10 of POPA. If you have any questions about the collection, use, disclosure or protection of personal information, please contact the Access and Privacy Officer at privacy@bowvalleycollege.ca.
