SODV9204 Introduction to programming using HTML/CSS

COURSE DESCRIPTION

Learn to recognize and write syntactically correct HTML and CSS code, structure data using HTML elements, and create and apply styles using CSS. Become familiar with their features and capabilities, and understand how to write, debug, and maintain well-formed HTML and CSS code.

REQUISITES	None
EQUIVALENTS	None
CREDITS	0
HOURS	24
ELIGIBLE FOR PLAR	No

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence
10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Create a basic HTML page	1, 3, 5
2	Generate HTML lists	1, 2, 3, 5
3	Create different HTML links	1, 2, 3, 5
4	Create HTML Tables	1, 2, 3, 5
5	Generate HTML Forms	1, 2, 3, 5
6	Add multimedia elements to a webpage	1, 2, 3, 5
7	Apply CSS basics to an index page	1, 2, 3, 5
8	Generate CSS layout	1, 2, 3, 5
9	Create a fully functional webpage through writing HTML code	1, 2, 3, 5

Week 2	Criteria 1, **Learners need to download the OneNote Course first before doing any of the tasks. Create a Basic HTML Page
Week 3	Criteria 2, Generate HTML Lists
Week 4	Criteria 3, Create Different HTML Links
Week 5	Criteria 4, Create HTML Table
Week 6	Criteria 5, Generate HTML Forms
Week 7	Criteria 6, Add Multimedia Elements to a Webpage
Week 8	Criteria 7, Apply CSS Basics to an Index Page
Week 9	Criteria 8, Apply CSS Color to the Webpage
Week 10	Criteria 9, Create CSS Texts Web Page
Week 11	Criteria 10, Apply CSS Elements to HTML Page Web Pag
Week 12	Criteria 11, Generate CSS Layout Web Page
Week 13	Exam, Take the Microsoft exam.In total, you have three attempts for the exam.

ASSESSMENT

COURSE LEARNING OUTCOME(S)	ASSESSMENT	WEIGHT
1-9	Final Exam Attempt 1	100%
1-9	Final Exam Attempt 2	100%
1-9	Final Exam Attempt 3	100%

Important: For details on each assignment and exam, please see the Course Offering Information.

PERFORMANCE STANDARDS

A grade of P is required to pass this course. Learners may be required to pass this course in order to progress in the program or to meet specific program completion requirements.

Please consult with the program area or the Bow Valley College website for further details.

GRADING SCHEME

Symbol	Description	Value in GPA
P	Pass	N/A
F	Fail	N/A

REQUIRED LEARNING RESOURCES

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Honesty (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including

but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.
