NURS9519 Registered Nursing Roles: Collaborator & Coordinator

COURSE DESCRIPTION

As collaborators, registered nurses work closely with multidisciplinary teams, including physicians, therapists, and social workers, among others, to develop comprehensive care plans tailored to meet individual patient needs. Through effective communication and mutual respect, they contribute to the collective expertise of the team, ensuring holistic and coordinated care delivery. Furthermore, registered nurses serve as coordinators, orchestrating the different aspects of patient care, from scheduling appointments and arranging consultations to facilitating transitions between care settings. Their organizational skills and attention to detail streamline workflows, optimize resource allocation, and enhance continuity of care, ultimately contributing to improved patient outcomes and satisfaction with healthcare. Taken together, this Micro Credentials serves to illuminate the crucial roles of collaborator and coordinator that the registered nurse performs.

COURSE COMPETENCY

COMPETENCY TITLE

Registered Nursing Roles: Collaborator & Coordinator

COMPETENCY STATEMENT

Nurses will demonstrate the ability to collaborate effectively within multidisciplinary teams and coordinate patient care to ensure seamless, holistic, and patient-centered service delivery.

COMPETENCY DESCRIPTION

Nurses will develop skills to work closely with physicians, therapists, social workers, and other healthcare professionals, using effective communication and mutual respect to create comprehensive care plans tailored to each patient's unique needs. As coordinators, nurses will manage and orchestrate various aspects of care, from scheduling appointments and consultations to facilitating transitions between care settings. By optimizing resources and streamlining workflows, nurses will enhance the continuity and quality of care, ultimately contributing to improved patient outcomes and satisfaction with healthcare services. This competency equips nurses with the organizational and interpersonal skills necessary to thrive in team-based

care environments.

ASSESSMENT

This course follows an assessment-first approach, in which learners will be assessed, and receive structured feedback, and a personalized learning plan. Learners will also receive differentiated support from an instructor based on their individual needs.

Learners will have a variety of ways to demonstrate they have met the required competency through the demonstration of learning outcomes and criteria as laid out in the rubric. Learners will have multiple (but not unlimited) attempts to prove competency. It is suggested that learners plan out their assessment attempts within their course.

Learners will have flexibility in how they satisfy course learning outcomes while still adhering to the criteria found in the rubric and the Course Offering information. Please refer to the Course Offering Information and the rubric in Brightspace for additional information.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online

proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students taking the course section. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements.

You may use the recordings only for educational purposes and you must not copy, share, or use the recordings for any other purpose without the instructor's express permission.

Your personal information is collected in accordance with section 33(c) of the Freedom of Information and Protection of Privacy Act (Alberta) to deliver academic programming, support learner flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes. If you have any questions about the collection, disclosure, use, or protection of this information, please contact the College's Access and Privacy Officer at foip@bowvalleycollege.ca.
