RELE9204 Practice of Property Management

COURSE DESCRIPTION

The Practice of Property Management course equips aspiring professionals with essential knowledge and skills crucial for a successful career in property management. This comprehensive course highlights the multifaceted nature of property management, emphasizing the need for proficiency in areas like leasing strategies, marketing tactics, financial acumen, and fundamental property valuation skills. Learners examine the property manager's role and explore the tools, competencies, and legal frameworks that impact the effective management of diverse property portfolios. The course is designed to meet the dynamic needs of property managers, tenants, and landlords in contemporary markets. Key topics also covered include leasing best practices, tenant selection criteria, pertinent legislative considerations, efficient property operations, residential tenancy management, and trust accounting principles. By the end of this course, learners will be well-prepared for a career in property management and to successfully complete the RECA licensing exam.

REQUIRED LEARNING RESOURCES

Access to a computer and the internet.

Specialized Equipment: Windows compatible desktop/laptop or Mac.

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

The course schedule assumes completion of learning material over a 15-week period. However, learners have 6 months to complete the course.

Each module within this course includes interactive learning activities aimed at assessing learner retention and comprehension of key concepts relevant to the Practice of Property Management licensing exam. To successfully complete the course and demonstrate a thorough understanding of the provided learning materials, learners are required to pass the module quizzes. These quizzes are designed to culminate in a practice exam that simulates RECA licensing exam-style questions.

Upon successfully completing the course, learners are granted a 3-month period during which they can make two attempts at the RECA licensing exam.

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or

d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students taking the course section. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements.

You may use the recordings only for educational purposes and you must not copy, share, or use the recordings for any other purpose without the instructor's express permission.

Your personal information is collected in accordance with section 33(c) of the Freedom of Information and Protection of Privacy Act (Alberta) to deliver academic programming, support learner flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes.
