ELLP0132 Academic Literacy for Youth 2

COURSE DESCRIPTION

Bridge is a program for ELL (English Language Learning) learners between the ages of 18 and 24 who have interrupted formal education and/or have not completed high school. This program offers instruction that is age- and content- appropriate and develops the study and life skills to support access to further education. The overarching goal of the program is to help learners improve their literacy, numeracy and other essential skills necessary for successful participation in North American academic contexts. Bridge learners are developing both literacy skills and language skills at the same time.

REQUISITES	None
EQUIVALENTS	None
CREDITS	16
HOURS	400
ELIGIBLE FOR PLAR	No

COURSE LEARNING OUTCOMES

Bow Valley College is committed to ensuring our graduates can demonstrate their abilities in key areas that will make them effective citizens and encourage their development as lifelong learners. In addition to the discipline-specific skills that learners acquire in their programs, the College has identified ten learning outcomes.

College-Wide Outcomes:

1. Communication
2. Thinking Skills
3. Numeracy and Financial Literacy
4. Working with Others
5. Digital Literacy
6. Positive Attitudes and Behaviours
7. Continuous Learning
8. Health and Wellness Awareness
9. Citizenship and Intercultural Competence
10. Environmental Sustainability

#	COURSE LEARNING OUTCOME(S)	COLLEGE WIDE OUTCOMES SUPPORTED
1	Develop English language proficiency in the four language strands: listening, speaking, reading, and writing in authentic contexts and by using academic strategies	1-10
2	Demonstrate academic readiness by showing respect, responsibility, and participation.	1, 4, 7
3	Develop workplace essential skills required in North American workplace contexts through project-based learning approach	1 - 7
4	Develop numeracy skills in order to succeed in both work and post-secondary context	2, 3, 5

COURSE MODULES AND SCHEDULE

**Course schedule subject to change, depending on delivery mode and term of study. For exact dates, please consult the Course Offering Information in Brightspace.*

WEEK/HOURS MODULES

400 hours	* The following is just an outline of the possible outcomes covered in the course and an estimate of the time range that would be required for a learner to achieve the outcome. Outcomes are selected at the discretion of the instructor based on learner needs assessments.
Week 2	Units Reading Interpret Nonfiction Texts • Identify the main idea • Answer questions up to the comprehension level (Knowledge to Comprehension: Bloom's Taxonomy) • Scan to find information • Extract information from charts, graphs, maps, tables and other graphic representations Interpret Fictional Texts • Identify literary elements in a story (plot, major and minor characters, setting) • Describe story elements through a written response • Engage in class or small group discussions • Respond personally to the story both orally and in writing Apply Reading Strategies • Demonstrate use of reading strategies in both nonfiction and fictional readings: • Preview, predict and access background knowledge • Self-monitor and use fix-up strategies • Retell and/or summarize • Find the main idea • Reflect and respond Apply Vocabulary Strategies • Morphemic Knowledge • Context Clues • Reference Sources Writing Compose a Text that Expresses Personal Experiences, Ideas and Opinions • Write a topic sentence and 2-4 supporting sentences • Engage in personal writing Record Information • Copy notes accurately from PPT, whiteboard or other visual display • Use a graphic organizer to take notes from a lecture, video or audio clip with support Apply Writing Strategies • Demonstrate use of writing strategies in both formal and informal writing contexts • Prewriting (brainstorming and planning) • Drafting • Revising • Editing • Publishing Apply Spelling Strategies • Demonstrate use of spelling strategies in both formal and informal writing contexts • Sight Words • New Vocabulary • Spelling Strategies
120 hours	Math Mathematics outcomes in the Bridge program are based on the provincial mathematics curriculum and give learners the vocabulary and knowledge they need to be successful at school, in their communities and at work. Outcomes are divided across terms into the following strands: • Number and Operations Outcomes • Patterns Outcomes • Measurement Outcomes
40 hours	BELLS Positive Attitudes and Behaviours • Manage time by using a calendar and a project timeline • Manage progress by using self-evaluation to know your strengths and challenges • Manage learning by developing short term and long term goals Working with Others • Demonstrate decision-making skills • Demonstrate problem-solving skills • Demonstrate responsibility by getting work done and helping others Technology Skills • Use MyBVC to communicate electronically with others • Use Microsoft Word to create documents • Use the Internet to find basic information • Use multimedia tools to create a digital media presentation Communication (Listening and Speaking Skills) • Demonstrate active listening behaviours and skills • Participate in conversations and discussions • Prepare and deliver presentations to peers and school community

ASSESSMENT

COURSE LEARNING OUTCOME(S)	ASSESSMENT	WEIGHT
1-4	Units (Listening, Speaking, Reading, Writing Skills)	60%
1-4	BELLS (Building Essential Life and Literacy Skills)	20%
4	Math	20%

Important: For details on each assignment and exam, please see the Course Offering Information.

PERFORMANCE STANDARDS

A minimum grade of D is required to pass this course. However, a program may require a higher grade in this course to progress in the program or to meet specific program completion requirements.

Learners who achieve a final grade of 85% or higher will transition to the next level of the program.

Please consult with the program area or contact the program chair for further details. A minimum Grade Point Average of 2.0 is required for graduation.

GRADING SCHEME

Grade	Percentage	Grade Point	Description
A+	95-100	4.0	Exceptional: superior knowledge of subject matter
A	90-94	4.0	Excellent: outstanding knowledge of subject matter
A-	85-89	3.67	
B+	80-84	3.33	
B	75-79	3.0	Very Good: knowledge of subject matter generally mastered
B-	70-74	2.67	
C+	67-69	2.33	
C	64-66	2.0	Satisfactory/Acceptable: knowledge of subject matter adequately mastered

C-	60-63	1.67	
D+	57-59	1.33	
D	50-56	1.0	Minimal Pass
F	Less than 50	0.0	Fail: an unsatisfactory performance

REQUIRED LEARNING RESOURCES

All learning materials will be provided by the instructor.

Additional learning resources may be found in the Course Offering Information or in Brightspace.

ADDITIONAL INFORMATION

- *Community Connections:* Learners participate in community resource sessions, which may be held in some terms. The purpose of these sessions is to connect and inform learners about resources available to them in their communities.

- *Clinics:* Learners in the Bridge program have the opportunity to participate in lunch hour clinics throughout the year. Clinic topics include pronunciation, grammar, study hall, driving exam preparation and more. Clinics are held during the lunch hour and are planned and delivered by program instructors.

Additional information may be found in the Course Offering Information or in Brightspace.

ACADEMIC ACCOMMODATIONS

Learners with a disability (learning, physical, and/or mental health) may qualify for academic and exam accommodations. For more information, or to apply for accommodations, learners should make an appointment with Accessibility Services in the Learner Success Services (LSS) Department. Accessibility Services can also assist learners who may be struggling with learning but do not have a formal diagnosis. To make an appointment visit LSS on the first floor of the south campus or call 403-410-1440. It is the learner's responsibility to contact Accessibility Services and request academic accommodations. For more information, please visit our website at http://www.bowvalleycollege.ca/accessibility.

INSTITUTIONAL POLICIES

Bow Valley College is committed to the highest standards of academic integrity and honesty. Learners are urged to become familiar with and uphold the following policies: Academic Integrity (500-1-7), Learner Code of Conduct, Procedures and Guidelines (500-1-1), Learner Appeals (500-1-12), Attendance (500-1-10), Grading (500-1-6), Academic Continuance and Graduation (500-1-5), and Electronic Communications (300-2-13). Audio or video recording of lectures, labs, seminars, or any other teaching and learning environment by learners is allowed only with consent of the instructor as part of an approved accommodation plan. Recorded material is to be used solely for personal study and is not being used or distributed without prior written consent from the instructor.

Turnitin:

Students may be required to submit their course work to Turnitin, a third-party service provider engaged by BVC. Turnitin identifies plagiarism by checking databases of electronic books and articles, archived webpages, and previously submitted student papers. Students acknowledge that any course work or essays submitted to Turnitin will be included as source documents in the Turnitin.com reference database, where it will be used solely to detect plagiarism. The terms that apply to a student's use of Turnitin are described on Turnitin.com.

Online Exam Proctoring:

Examinations for this course may require proctoring through an online proctoring service. Online proctoring enables online exam taking within a controlled and monitored environment, thereby enhancing academic integrity. Online proctoring may occur through a variety of methods, including but not limited to:

a. live online proctoring where a remote invigilator authenticates identity and observes completion of an exam using specialized software and recordings;
b. automated proctoring where the exam session is recorded and AI (artificial intelligence) analyzed;
c. browser lockdown that limits access to other applications, websites, copying, printing, screen capture and other functions; or
d. a combination of both live/automated proctoring and browser lockdown.

Course instructors will review recordings, analyses, and data obtained through online proctoring for academic integrity infractions. It is the student's responsibility to meet the technical, software, location, and identity verification requirements necessary to enable online proctoring.

Further details of these policies are available in the Academic Calendar and on the Bow Valley College website, bowvalleycollege.ca.

Learners are encouraged to keep a copy of this course outline for future reference.

Collection of Personal Information:

This course, including your image and voice, may be recorded and made available to you and other students

taking the course section. By attending the class(es) online or in person, you consent to the collection of your personal information. If you do not wish to be recorded, please contact your instructor before starting the course/class to discuss alternative arrangements.

You may use the recordings only for educational purposes and you must not copy, share, or use the recordings for any other purpose without the instructor's express permission.

Your personal information is collected in accordance with section 33(c) of the Freedom of Information and Protection of Privacy Act (Alberta) to deliver academic programming, support learner flexibility, promote universal design for learning principles, and for purposes consistent with the course activities and outcomes. If you have any questions about the collection, disclosure, use, or protection of this information, please contact the College's Access and Privacy Officer at foip@bowvalleycollege.ca.
